**Subject: Conflict Minerals Compliance at Forest City Castings Inc.**

To whom it may concern:

All products manufactured at Forest City Castings Inc. are from well-known, respected raw material suppliers. All suppliers have provided Forest City Castings Inc with clear statements certifying that their alloys are free of any conflict materials. These include the minerals referred to as “3TG” (Gold, Tin, Tantalum and Tungsten).

Additionally we are assured that other metals of interest including Columbite-Tantalite(coltan), Niobium (Nb), Tantalum (Ta), Gold (Au), Wolframite (Tungsten (W)), Cobalt,(Co), and Cassiterite (Tin, (Sn)) are not in the alloys supplied to Forest City Castings Inc.
